General terms

- General conditions** The following conditions apply to the whole of this **policy**.
- 1. Information**

In deciding to accept this insurance and in setting the terms and premium, **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

You must tell **us**, as soon as possible, if there are any changes to the information **you** have given **us**. If **you** are in any doubt, please contact **us**.

When **we** are notified of a change **we** will tell **you** if this affects **your policy**. For example **we** may cancel **your policy** in accordance with the cancellation condition, amend the terms of **your policy** or require **you** to pay more for **your** insurance.

If **you** do not inform **us** about a change it may affect any claim **you** make or could result in **your** insurance being invalid.
 - 2. Misrepresentation**

If **we** establish that **you** deliberately or recklessly provided **us** with false information **we** will treat this insurance as if it never existed and decline all claims.

If **we** establish that **you** were careless in providing **us** with the information **we** have relied upon in accepting this insurance and setting its terms and premium **we** may:

 - treat this insurance as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
 - amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place if a claim has been adversely impacted by **your** carelessness;
 - charge **you** more for **your** insurance or reduce the amount **we** pay on a claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**;
 - cancel **your policy** in accordance with the cancellation condition.

We will write to **you** if **we**:

 - intend to treat this insurance as if it never existed;
 - need to amend the terms of **your policy**; or
 - require **you** to pay more for **your** insurance.
 - 3. False claims**

If **you** have made a false claim, **we** can refuse to pay a claim or **we** can treat this insurance as though it had never existed.
 - 4. Building works**

If **you** intend to undertake any work to extend, renovate, build or demolish any part of the **buildings** and the estimated cost is more than £25,000, **you** must tell **us** about the work at least 30 days before the work starts and before **you** enter into any contract for the works. If **you** do not, **we** will not have to pay any claim caused by or resulting from the building works. **You** do not have to tell **us** if the work is for redecoration only.
 - 5. Premium payment**

We will not make any payment under this **policy** unless **you** have paid the premium.
 - 6. Correct amounts insured**

When accepting this insurance, **we** expect that the **amounts insured** will represent the full value of the property insured.

 1. For **buildings**, the full value is the estimated cost of rebuilding if the **buildings** were destroyed (this is not the same as the market value), including VAT but not including fees and extra expenses. **We** allow 15% of the cost of repairs for fees and extra expenses (see paragraph 5 of Section A - buildings and tenant's improvements).
 2. For **tenant's improvements**, the full value is the cost to repair or replace as new.
 3. For **contents**, the full value is the current cost as new.

General terms

4. For **fine art**, the full value is the current market value

Indexation: **We** will adjust the **amount insured** for **buildings** and **contents** at each renewal according to an appropriate index. However **you** should check **your amounts insured** when **you** renew **your policy**, to make sure that they reflect the full value of the **buildings** and **contents**.

7. Reasonable care

You must take reasonable steps:

- a. to protect the property insured under this **policy** and to keep it in good condition and repair;
- b. to prevent accident or injury.

If **you** do not, **we** will not have to pay any related claim.

8. Cancellation

You may cancel this **policy** up to 14 days from the start of the contract (plus postage time) and receive a full premium refund.

You may cancel this **policy** at any time by writing to us. If **you** have not made a claim, **we** will return any premium **you** have paid for any **period of insurance** left.

We may cancel this **policy** by sending **you** 30 days' notice by recorded post to **your** correspondence address shown in the **schedule**. **We** will return any premium **you** have paid for any **period of insurance** left.

However, **we** will not return any premium if the amount is less than £25.

If **you** pay the premium by instalments and an instalment remains unpaid after 14 days, **we** may cancel this **policy** from the date the last instalment was due.

9. Third parties

You and **we** are the only parties to this **policy**. Nothing in this **policy** is intended to give any person any right to enforce any term of this **policy** which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999.

10. Joint insureds

The most **we** will pay is the relevant **amount insured**.

If there is more than one of **you**, the total amount **we** will pay will not exceed the amount **we** would be liable to pay to any one of **you**.

11. Governing law

Unless some other law is agreed in writing, this **policy** is governed by English law. If there is a dispute, it will only be dealt with in the courts of England.

12. Exchange rates

If **your** policy is issued in Euros or US dollars, the following fixed exchange rates will be used to convert the amounts shown in this policy wording: £1 = €1.5 = USD 2.

The amounts insured **you** have chosen, which are shown on **your** schedule, will be subject to the rate of exchange in force at the time of conversion.

What to do when a loss occurs

The following claims conditions apply to the whole of this **policy**.

How to make a claim

You must tell **us** as soon as possible about any incident which **you** may need to claim for under this **policy**. If **you** do not, **we** will not have to pay **your** claim. If **you** think a crime has been committed, **you** must also tell the police and obtain a crime reference number from them.

You must prove the loss or damage has happened and give **us** all the cooperation **we** need.

Temporary emergency repairs

If temporary repairs are needed urgently to prevent further damage, **you** should arrange for them to be done immediately. Keep the bills because they may form part of **your** claim.

Before any other repair work begins **we** have the right to inspect the damaged property. **We** will tell **you** if **we** want to do this.

Injury to someone or damage to their property

If someone is holding **you** responsible for injury or damage, **you** must immediately send to **us** every letter of claim, claim form or correspondence **you** receive. **You** must not admit liability or make an offer or promise of payment without **our** written permission, otherwise **we** will not have to pay **your** claim.

We may take over and deal with, in **your** name, the defence or settlement of any claim.

Recovering a loss payment

We may pursue, in **your** name but at **our** expense, recovery of amounts **we** may become liable to pay under this **policy**. **You** must give **us** all the assistance **we** may reasonably require to do this.

General terms

How much we will pay

The basis upon which **your** claim will be settled is as follows. When **we** pay your claim, **we** will deduct the amount of the **excess** shown in the **schedule**.

Section A - buildings and tenant's improvements

Buildings

We will pay the cost of rebuilding or repair subject to the rebuilding or repairs being carried out, but if **you** and **we** agree that it is not reasonable to do this, **we** will pay **you** an amount which **we** both consider fair.

The most **we** will pay is the **amount insured**.

Tenant's improvements

We will at **our** option repair or replace the damaged parts.

Section B - contents

We will decide whether to repair or replace the lost or damaged item or to make a cash settlement based on the replacement cost. **We** will not deduct any amount for wear and tear.

For **fine art**, however, any cash settlement will be based on the market value of the item on the date the loss happened.

The most **we** will pay is the **amount insured**.

Specific limits

The following amount is part of the total **amount insured** for **contents**. The most **we** will pay for:

- gold, silver, and gold- and silver-plated items is £2,000 in total for each incident of loss;
- money is £250 in total for each incident of loss.

Our claims promise

We pride **ourselves** on offering a service that is fast, efficient and helpful. If **we** do not pay **your** claim within ten working days after receiving **your** acceptance form, **we** will pay **you** interest, at **your** bank's base rate. **We** will only do this if **your** premium payments are up to date and the agreed claim is more than £2,500.

We can only keep this promise if **you** give **us your** bank details at the time **you** sign the acceptance form. **We** can then transfer the **money** into **your** account. This promise cannot apply if **you** ask **us** to pay by another method.

Section B - contents

Optional cover

What is insured

The following cover is not included automatically. Please read **your schedule** to see if it is in force.

Section C - your liabilities

If the **buildings** are covered under Section A of this **policy**, **you** are automatically insured for **your** liability as owner of the relevant **holiday home**.

In this case, for the purpose of this cover only, the definition of **you** is amended to 'the person who lives in the **holiday home** and all permanent members of that person's household including the domestic staff who live in the **holiday home**'.

The general terms all apply to this section.

The accident must happen during the **period of insurance** and arise from the work the domestic employees are employed to do for **you** at the address shown in the **schedule** or elsewhere within the country in which the **holiday home** is situated. 4. Amounts you are legally liable to pay following any judgment or award given or made in the courts of the United States or Canada. This exclusion also applies to the enforcement of any such award in any court outside the United States or Canada.

French clauses

Clauses 1 to 4 below apply automatically if the **holiday home** is situated in France.

1. Natural catastrophe cover

The natural catastrophe perils are covered by this insurance in accordance with French law 82-600 (13 July 1982).

This insurance is extended to cover physical loss or physical damage caused directly by the exceptional intensity of a natural agent such as earthquake, volcanic eruption, avalanche, landslide, subsidence, flood, mudslide. This extension applies only to losses caused by an event which is declared a natural catastrophe by an Inter-ministerial decree published in the Official Gazette of the French Republic. The cover provided by this extension is in accordance with the legal regulations in force on the day of the loss and is subject to all terms and conditions of this insurance, except as amended by this extension.

Excess

We do not cover the amount of the compulsory **excess**, or the **excess** shown in the **schedule** if this is more. The amount of the compulsory **excess** applicable to the natural catastrophe cover is set by law. It may vary over time, and the amount applicable at the time of the loss will be deducted from any claim payment.

Basis of settlement

Your claim for damage under this extension will be calculated in accordance with the basis of settlement for this insurance. In no event will we pay more than the amount insured. **We** will deduct from **our** settlement an amount which is set by law and which **you** must bear yourself. **You** undertake not to insure this amount elsewhere.

Notice of loss

You must notify **us** of any loss or damage which may result in a claim under this extension as soon as **you** become aware of it and at the latest within 10 days after publication of the Inter-ministerial decree stating that a natural catastrophe has occurred.

In the event of loss, if **you** have taken out more than one **policy**, which covers physical damage caused directly by the exceptional intensity of a natural agent, **you** must tell **us** about such policies within the ten-day period mentioned above. **You** must submit **your** claim to the insurer of **your** choice within the same period.

Claim payment

We undertake to pay **you** the amount due under this extension within 3 months from either the date on which **you** gave **us** the estimate of the damage or the date of publication of the Inter-ministerial decree stating that a natural catastrophe has occurred, whichever is the later. If **we** do not, the amount due will bear interest at the statutory rate from the end of this period, unless **our** failure to pay is accidental or due to circumstances beyond **our** control.

2. Technological catastrophes

The technological catastrophe perils are covered by this insurance in accordance with French law 2003-699 (30 July 2003). This insurance is extended to cover physical loss or physical damage caused an event which is recognised as a technological catastrophe by the competent government authority.

Capítulo III Pagamento e Alteração dos Prémios

9. Vencimento dos prémios
1. Salvo convenção em contrário, o prémio inicial, ou a primeira fração deste, é devido na data da celebração do contrato.
 2. As frações seguintes do prémio inicial, o prémio de anuidades subsequentes e as sucessivas frações deste são devidos nas datas estabelecidas no contrato.
 3. A parte do prémio de montante variável relativa a acerto do valor e, quando seja o caso, a parte do prémio correspondente a alterações ao contrato são devidas nas datas indicadas nos respetivos avisos.
10. Cobertura

11. Aviso de pagamento dos prémios
1. Na vigência do contrato, o segurador deve avisar por escrito o tomador do seguro do montante a pagar, assim como da forma e do lugar de pagamento, com uma antecedência mínima de 30 dias em relação à data em que se vence o prémio, ou frações deste.
 2. Do aviso devem constar, de modo legível, as consequências da falta de pagamento do prémio ou de sua fração.
 3. Nos contratos de seguro em que seja convencionado o pagamento do prémio em frações de periodicidade igual ou inferior a três meses e em cuja documentação contratual se indiquem as datas de vencimento das sucessivas frações do prémio e os respetivos valores a pagar, bem como as consequências do seu não pagamento, o segurador pode optar por não enviar o aviso referido no n.º 1, cabendo-lhe, nesse caso, a prova da emissão, da aceitação e do envio ao tomador do seguro da documentação contratual referida neste número.
12. Falta de pagamento dos prémios
1. A falta de pagamento do prémio inicial, ou da primeira fração deste, na data do vencimento, determina a resolução automática do contrato a partir da data da sua celebração.
 2. A falta de pagamento do prémio de anuidades subsequentes, ou da primeira fração deste, na data do vencimento, impede a prorrogação do contrato.
 3. A falta de pagamento determina a resolução automática do contrato na data do vencimento de:
 - a) Uma fração do prémio no decurso de uma anuidade;
 - b) Um prémio adicional resultante de uma modificação do contrato fundada num agravamento superveniente do risco.
 4. O não pagamento, até à data do vencimento, de um prémio adicional resultante de uma modificação contratual determina a ineficácia da alteração, subsistindo o contrato com o âmbito e nas condições que vigoravam antes da pretendida modificação, a menos que a subsistência do contrato se revele impossível, caso em que se considera resolvido na data do vencimento do prémio não pago

Não havendo alteração no risco, qualquer alteração do prémio aplicável ao contrato apenas pode efetuar-se no vencimento anual seguinte.

In particular it is not covered any damage or losses arising from power cuts or alteration in the external power supply, gas, fuel-oil, gas-oil or other fluids, nor damage or indirect losses different to the mentioned in the preceding paragraph although the alterations arise from causes which are included in the extraordinary risks cover.
- m. Those considered by the Government to be a national calamity or catastrophe given their magnitude or importance.
3. Deductible
- In the case of direct damage, the deductible will be 7% of the amount of the damage to be compensated caused by the loss. However, this deductible will not apply to damage affecting to vehicles insured under motor insurance policies, household and community flat owners.
- In the case of loss of profits, the deductible will be identical, in time or amount, as the deductible set out in the original **policy** for damage arising from ordinary loss of profits. If several deductibles covering loss of profits exist, the rules applying in the main coverage of the original **policy** will apply.
4. Extension of the cover. Agreements of facultative inclusion in the ordinary policy
- The Consorcio de Compensación de Seguros will indemnify on a compensation basis damage arising from extraordinary events occurred in Spain and affecting to risks located in Spain. In this respect, the capitals fixed for the affected goods will be taken into account, despite they are in different policies, with compulsory charge in favour of the Consorcio de Compensación de Seguros, always provided that the policies are in force and within the **policy** period. The foregoing will be made separately and independently for the cover of direct damage and loss of profits.
- Notwithstanding the above, policies covering own motor damage, the cover of extraordinary risks by the Consorcio de Compensación de Seguros will guarantee the total insurable interest although the ordinary **policy** only does it partially.
- If the sum insured markedly exceeds the value of the interest, the effectively caused damage will be indemnified.
- II. Procedure to be followed in case of loss to be compensated by the consorcio de compensación de seguros
- In case of loss, the insured, policyholder, beneficiary or their legal representatives must:
- a. Notify -within the maximum period of seven days from the date in which the loss is known - the occurrence of the loss to the relevant Regional Delegation of the Consorcio, depending on the place of the occurrence. The notification will be made either directly or through the insurer of the ordinary **policy** or through the insurance intermediary. The notification will be made in the approved form, which will be available in the Consorcio's website (www.consorseguros.es) or in its offices or in the insurer's offices.

Spanish clauses

The following documents will be enclosed:

- Photocopy of the DNI/NIF of the receiver of the indemnity.
 - Photocopy of the general and particular conditions of the **policy** (individual or collective), its appendixes or endorsements, if any.
 - Photocopy of the premium receipt in force at the occurrence date showing clearly the commercial premium and charge paid to the Consorcio de Compensación de Seguros.

- b. Any trace or vestige of the loss must be kept to assist the loss adjuster's job and, if this is absolutely impossible, to submit any documentation evidencing the damage such as photographs, Deeds, videocassettes or official certificates. Also, any invoice relating to the affected goods whose destruction can not be delayed must be kept.
- c. Adopt any necessary measure to reduce the damage as well as to avoid new damage or disappearances which would be the insured's responsibility.
